# GLADIOLI

U. S. Department of Agriculture

GROWN BY

HENRY C. ECKERT  
BELLEVILLE, ILL.

## Dollar Collection

One bulb each of twelve choice varieties (your selection). Large blooming bulbs at above price mailed to any post office in the U. S.

Terms: Remittances must accompany all orders. All goods are sent prepaid at prices quoted by single bulb or dozen.

*All Bulbs Are Guaranteed True To Name*

*The following are the Strong Twenty that can endure the climatic changes, either wet or dry.*

BERTREX. Large white with lilac markings; the white America and when better known will be a leader in the cut flower trade. 20c each, \$2.00 per dozen.

ROSELLA. Light rose, white center, large wide open flower, very vigorous, extra fine. 15c each, \$1.50 per dozen.

ARIZONA. A large flower of finest rose pink color, one of the best of the new introduction. 15c each, \$1.50 per dozen.

PRESIDENT TAFT. Delicate pink with red blotch, flower and spike large. 10c each, \$1.00 per dozen.

HOHENSTAUFEN. Large white dark blotch in throat, strong and vigorous. 15c each, \$1.50 per dozen.

MRS. FRANK PENDLETON. Bright rose, pink, very large carmine blotch. A queen among gladiolus. 15c each, \$1.50 per dozen.

BLACK HAWK. Cardinal red, nearly black centre. One of Kundert's best seedlings. 10c each, \$1.00 per dozen.

WINE KING. Purple wine color. Extra fine and ought to be better known. 10c each, \$1.00 per dozen.

SCHWABEN. Light-yellow Maroon blotch. Extra strong and vigorous. 10c each, \$1.00 per dozen.

MRS. JAMES LANCASHIRE. Deep cream, fading to a rose-tinted flesh color. Carmine stripes. Extra fine. 10c each, \$3.00 per dozen.

AMERICA. Light pink. The most popular cut flower gladiolus in the trade. 5c each, 50c per dozen.

PANAMA. Clear pink large open flower. Can endure climatic changes better than America. 10c each. \$1.00 per dozen.

WILLY WIGMAN. Cream white, flushed pink. Large crimson blotch on lower petals. 5c each, 50c per dozen.

ALICE CAREY. Pure white with wide lavender stripes on lower petals. 10c each, \$1.00 per dozen.

NIAGARA. Soft yellow, more or less tinted pink, large open flower. Extra fine. 10c each.

GOLDEN KING. Golden yellow crimson blotch in throat. Strong vigorous grower. 10c each, \$1.00 per dozen.

MARY FENNELL. Beautiful light lavender flowers. Lower petals penciled light yellow. 15c each, \$1.50 per dozen.

HOHENZOLLERN. Color more beautiful than Halley. 10c each, \$1.00 per dozen.

WAR. Deep blood red. Strong grower. 10c each, \$1.00 per dozen.

HALLEY. Very large, wide open flower. I put this variety last, as it is the least resistant to extreme dry, hot weather and cannot endure wet soil. 5c each, 50c per dozen.

As the following varieties show too many weak points under an adverse climate will close out entire stock at prices as quoted:

### PINK BEAUTY

125—1 1-4 up to 1 1-2 inch	<i>SOLD</i>	\$ 2.50
200—3-4 up to 1-4 inch	<i>SOLD</i>	3.00

Will quote prices with greatest pleasure by the 100 on following varieties: America, Halley, Panama and Willy Wigman.

### THE FLOWER GROWER.

A monthly publication for both amateur and professional growers of the gladiolus is published by Madison Cooper, Calcium, N. Y., at one dollar per year. Sample copies on application to the Publisher. I recommend this magazine to all gladiolus growers.
